## What is the TCG?

The Troutman Community Garden is a space to grow organic food in a sustainable way.

Unlike other community gardens, our beds and berm are collectively tended and harvested. We need YOUR help to grow our organic garden year round!

Most of the harvest is donated to the HELP ministries of Troutman, providing this local food pantry with much-needed fresh produce.

Our garden reflects our town's commitment to community and service.

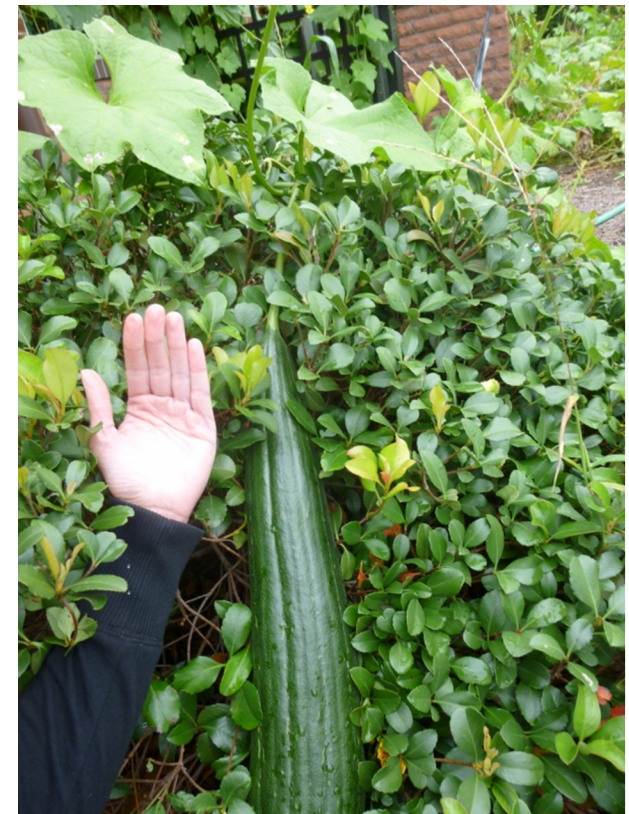

Our mission is to bring people together from the entire community to grow abundant, healthy food- "Tend, Grow, Eat, Share."

Enjoy!

## JOIN THE FUN

We welcome volunteers of all ages from Troutman and the surrounding area

- Workdays are usually Saturdays at 10am
- School groups, local service organizations, church groups, or individuals can join
- We love gifts, too! Seeds, tools, soil, supplies, or monetary gifts can be given
- Join us! make new friends and take home some fresh, organic produce

**YES! I would like to contribute to the Troutman Community Garden**
