# Comics Workshop with Ellis Kim

**Ages 14 and up**

**Saturday, February 18 at 10:00 am**

**Millbrae Meeting Room B**

This workshop will help refine and solidify comic-creation techniques in young artists who are interested in making sequential art. In this hour-long overview, topics to be covered include character design, page and panel layout, visual storytelling and readability, concept development, research, an overview on traditional and digital tools, and general techniques. Participants will be able to take what they've learned and help sharpen their understanding of writing and drawing stories with clarity.
