Summer Reading 2017

BUILD A BETTER WORLD

Any questions? Want to register?
Call 292-6070

How it Works

Stop by the library to register and pick up your reading log. Then start reading!

Grades K-2 will track the number of books they read.

Grades 3-4 will track the number of pages read.

Grades 5 and up have a special reading challenge.

Reading will earn you tokens to spend in our prize store!

Don't forget to come to our fun programs!

Signing up for summer reading lets you come to any of our programs that do not require a separate registration.

Family Programs

Animal Embassy: Nature's Architects

Thursday, July 6, 6:30
Meet a group of Animal Ambassadors and learn about the homes they build and what you can build to help animals. Animals may include Red- Foot Tortoise, a Mandarin Duck, a Ferret or an African Porcupine.

Science Tellers: Tall Ships and Pirate Tales

Thursday, July 13, 6:30
Set sail with a crew of pirates stranded on a desert island who must build a ship to escape and learn the science behind clouds, explosions and more with them.

Read to Cardiff

Friday, July 14, 1:00
Our therapy dog friend Cardiff will be here to listen to young readers. He loves to hear stories!

Galaxy Jars

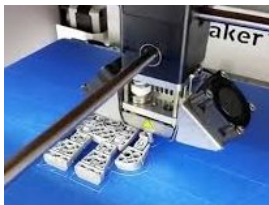

Thursday, July 27, 6:30
Hold the universe in your hands and make a galaxy or nebula in a recycled jar.

Dinosaur Dig

Thursday, August 3, 6:30
Mike and Roberta Straka will lead future paleontologists at a dinosaur dig site right in the library. Children will spend time in a fossil museum and then dig for and identify bones to construct a real dinosaur skeleton.

3D Printer Workshop

Tuesday, August 8, 6:30 pm
Learn all about what you can do and make with a 3D printer. Appropriate for ages 12 to adult.

Read to Cardiff

Friday, August 11, 1:00
