September 2017

Halloween Costume Swap Reuse, reduce, recycle at our annual Halloween Costume Swap! Starting September 5, drop off outgrown costumes in clean, wearable condition. Come back on September 30 to pick out a new-to-you costume at our Swap.

Talk a Walk on the Wild Side: Insects Ever wonder what's going on in the lawn in front of the library? Come join the Manada Conservancy and learn about riparian buffers and why there are important for our community. Then take a walk on the wild side and learn about the amazing insects that make their home there. After the program, take a "field trip" down to the riparian buffer and see how many buffer bugs you can find!
