CHESTER LIBRARY

*A family celebration  
of the arts in Chester*

## A Taste of Art

Chester Library invites you to connect with the local arts community at A Taste of Art. Explore fine and performing arts with exhibits, demonstrations, performances, crafts for children and hands-on workshops provided by the Virginia Museum of Fine Arts.

This free, family-friendly event celebrates the vibrant arts community in Chester. The library, which regularly hosts exhibits of local artists, is offering itself as a place for artists to share their talents with members of the community at this unique social and educational event.

Local artists will offer demonstrations and work for sale. Chat with artists, find out about their processes and shop for unique, local pieces. Celebrate the culinary arts with two food trucks on site!

**A Taste of Art will be held on Saturday, December 2, 2017,  
from 10 a.m. to 3 p.m. at Chester Library.**

#### Beauty Everywhere by Roger Walk

**"Using photography, I want to share what I find as obvious or 'hidden' beauty around us. And I find beauty everywhere - in people, places and 'things'.**

With photography, I found a way to create, discover and experience beauty as I imagine, see and feel it. In my digital still photographs I try to capture the beauty of people, places and 'things' and share my discoveries with others.

In this exhibition, I showcase my diverse discoveries of beauty in portraits (studio and street-photography), landscapes, Richmond cityscapes, riverscapes and other fine art pieces. I emphasize the beauty that I see in the image without modifying its basic visual elements."
