HOLMES PUBLIC LIBRARY

470 Plymouth Street, Halifax, Massachusetts 02338 | 781-293-2271

SPACE PHENOMENA

with

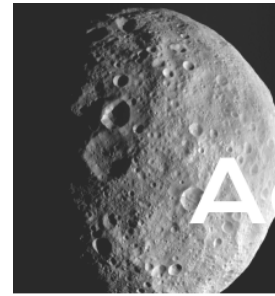

for ages 5-12

**Saturday
March 10
11:00 am**

Probe the mysteries of meteors and bounce around satellite light in this phenomenal program on space events! See comets up close as one is formed before your eyes.

This program is funded by a grant from the Halifax Cultural Council, a local agency which is supported by the Massachusetts Cultural Council, a state agency and the Friends of the Holmes Public Library.

Asteroid Adventures

for ages 5 - 12

**Monday
March 19
6:00 pm**

Learn about NASA's three asteroid missions: Dawn, OSIRIS-Rex and Psyche, and the hopes that they may hold clues to the earliest times of our solar system. Hunting asteroids from your backyard!

This program is funded by the Friends of the Holmes Public Library.

EXPLORING OUR SOLAR SYSTEM AND BEYOND

**Wednesday
March 21
6:30 pm**

Learn how our explorations of the Universe expanded from the early visions of Hubble to our planned future search for alien life within our own solar system and beyond! Family friendly PowerPoint presentation by the Aldrich Astronomical Society, Inc.

This program is sponsored by the Friends of the Holmes Public Library.

Hidden Figures and other Women of NASA

**Wednesday
March 28
6:30 pm**

NASA Solar System Ambassador, Pat Monteith will lead you through the journeys of Katherine Johnson and some of the other pioneering women and courageous female astronauts of NASA.

This program generously donated by Pat Monteith
