

Drop-in Workshop: "for more details, go to our website...?"

Wednesday, March 28th - 1-3pm @ Millbrook Branch Thursday, March 29th - 1-3pm @ Bruce Johnston Branch

Every newscast and radio program signs off by saying "for more details, go to our website...".

Erin and Karla will show you how to find those extra interviews, news reports that are referred to but not aired on radio or television.

If you own a device (laptop, tablet) bring it along and we will help you on your device.
