# Google Computer Science
@ Cora J. Belden Library

Teens in Grades 6 - 8:

Join us at the Cora J. Belden Library for another exciting **Google Computer Science (CS) First Club**! CS First Clubs are designed to empower students to create with technology and provide an introduction to concepts such as computer programming, software development, and design. The theme for this club will be **'Social Media'**. No previous computer science experience is necessary to participate. **The club will meet once a week from 4:00 - 5:00 pm on Wednesdays beginning on May 2nd through June 6th**. The club is limited to 9 participants who are expected to attend all of the club events. Please visit https://www.cs-first.com/ to learn more.
