

# Summer Reading Program

Why read? Reading decreases stress levels, builds an ability to deal with difficult situations, and fosters awareness on a wide variety of topics. Research shows regular readers may have decreased risk for Alzheimer's. And of course, reading is fun! Read with us!

## How to register:

Starting Saturday, June 2nd, you can sign up for our Summer Reading Program. Visit our Library website: [library.losgatosca.gov](http://library.losgatosca.gov).

Click the link to Beanstack and register. Just read 40 minutes per week and collect "reading badges" online. Collecting reading badges enters your name into our bi-weekly prize giveaway! There are fun activity badges to earn as well. The Adult Summer Reading Program ends after 8 weeks on July 30th. Collect your prize in August!
