

# Gale Course: Computer Skills for the Workplace

Every Wednesday, Friday, and Saturday  
10:00AM-12:00PM  
and every Thursday 5:30-7:30PM  
beginning July 18 through August 26

Join us in our Computer Lab for a six (6) week online course. You may attend any of the above mentioned sessions. You will work at your own pace. The Lab Assistants will be going through the course also and will be there to guide you and answer any questions.
