Video Chat Basics

Wednesday, September 19th 7:00pm - 7:45pm

Do you wish you could connect with far away loved ones, ace long-distance job interviews, or chat with friends around the globe, all "face to face"? You can with video chat services such as Skype and FaceTime! Come and learn the basics of installing, using, and troubleshooting this popular and free software.

To register, stop by or call the Information Desk at (860) 258-7623.
