Every Branch!**

Hours may be logged  
online beginning  
May 31, 2014

& at any branch  
beginning June 2, 2014.

The last day for logging  
hours is August 2, 2014.

## The Houston Museum of Natural Science Returns This Summer!!!

## SRP SUCCESS TIPS

1. Participants are expected to read materials (fiction or nonfiction) on their grade/reading level.

Pre-readers can count the time when someone reads to them. The following are recommended collection designations:

\*through age 7—XF/XNF

\*ages 8-12—PF/JF/JNF/JPB

2. All readers will count time and log it on-line (either individually or with the assistance of a library staff member).

3. Each log represents four (4) hours. A prize is earned upon completion of each of the first 6 logs.

4. Completed logs may be entered into the online system at any time or turned in any day during open hours.

**Help your kids succeed – continue the joy of learning!**

### Access Video

The Beauregard Parish Library's website now provides access to educational videos on demand.

Log in using your library card and watch videos about space, nature, human biology and more!
